DETAILED ACTION

EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Ralph Dowell on June 27, 2006.

2. The application has been amended as follows:

Claim 53 is canceled.

The above examiner's amendment was made to place other claims allowable.

Allowable Subject Matter

3. Claim 17, 18, 45-49, 51-52, 55, and 56 are allowed.

The following is an examiner's statement of reasons for allowance: The prior art of record fails to teach or make obvious the steps of or means for **"the means having, for each of the plurality of input ports, access to locating information on where in a flow received on that input port the indication of application type would be located, the means using the port ID of a flow to access the locating information, the means using the locating information to locate in the flow the indication of application type"**, when such means is considered within the specific structure of the device recited claim 17. The prior art of record fails to teach or make obvious the steps of or means for **"the egress device receives the flow on one of a plurality of logical**

input ports, the logical input port upon which the flow is received having a port identification number (PID), the egress device using the PID to locate the embed indication of in the flow”, when such egress device is considered within the specific structure of the device recited claims 45 and 53 or the method of claim 55.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled “Comments on Statement of Reasons for Allowance.”
